10 Games | $1 Per Card, Per Game | All Ages Welcome!

EVENT DETAILS & COST

How much does it cost to play?

- $1 per card, per game.
- Cards are available in single-card or 3-card sheets, sold in packs of 5 or 10 games.
- Minimum purchase is $5 for a single-card, 5-game pack or $15 for a 3-card, 5-game pack.
- Players may purchase and play multiple cards per game.

How many games will we play?

We'll play 10 games total, with one winning opportunity per game. Unlike our regular Community BINGO, there will be **NO second-chance rounds.**

Five games will feature traditional bingo patterns, while the other five will feature fun, kid-friendly specialty patterns such as L, T, X and blackout. Winning patterns will be displayed and explained before each game.

We anticipate the event lasting approximately 60–75 minutes, depending on the pace of play.

What about BINGO daubers?

BINGO daubers will be available for $2 each. Players are welcome to bring their own daubers, washable markers or highlighters. Please avoid black or overly dark ink that makes numbers difficult to verify.

Food & Drinks

Snacks and beverages are available for just $1 each! Options include pop, juice boxes, bottled water and assorted individually packaged snacks.

We encourage you to make a night of it and grab dinner at one of our downtown restaurants before or after BINGO! You're also welcome to bring your own food and beverages, including alcoholic beverages for adults ages 21 and older, to Town Hall.
